

Evidence2Success: School Survey (9 – 13 years)

STATEMENT FROM THE RESEARCHERS

We are asking you to complete a survey. Please read the information below carefully. You can then decide if you want to take part.

WHY AM I BEING ASKED TO COMPLETE A SURVEY?

This survey is part of a research study called *Evidence2Success*. We want to know what children and young people need to grow up healthy, ready to learn and prepared for success in life. If you complete the survey you can help schools, the council, the health service and community leaders better plan important programmes and services for young people in Perth and Kinross.

WHAT IS IN THE SURVEY?

This is **not** a test. There are no right or wrong answers. The survey will ask questions about you or things that you and your friends may or may not have done. Here are some examples of questions you may be asked:

- I usually do as I am told
- How many friends do you have who you can talk to about your problems?
- I usually share with others (food, games, pens etc.)

The survey is secret/confidential. You will complete the survey on your own. No one at your home or the school will see your answers. We will match your questionnaire answers to other information the school and council holds about you, such as any services you receive, but it won't be possible to identify you at the end of this process.

The survey is voluntary. You do not need to take part if you don't want. You can also skip any questions you don't want to answer and stop taking the survey at any time.

I agree to take part in the *Evidence2Success* survey.

☐ **YES, I want to take part**

☐ **NO, I don't want to take part**

Principal Investigator: Tim Hobbs, PhD

Thank you for agreeing to do the survey!

Instructions: Please read each question carefully and mark your answer by putting an “X” in the box next to the answer you choose. If you make a mistake or want to change your answer, completely fill in the box with the wrong answer and put an “X” in the box next to your new answer.

Some of the questions will look like this:

12. How many times have you watched TV this week?

☐ None

☒ 1 or 2 times

☐ 3 or 4 times

☐ 5 or more times

Mark your choice by making an “X” in the box that is next to the answer you want.

Other questions will look like this:

<i>Please mark an “X” in the box under your answer.</i>	NO!	no	yes	YES!
22. I like to eat pizza.	☐	☐	☐	☒

Mark the big NO! if you think the statement is definitely not true for you.

Mark the little no if you think the statement is mostly not true for you.

Mark the little yes if you think the statement is mostly true for you.

Mark the big YES! if you think the statement is definitely true for you.

Please try to answer every question. Your answers will make a difference to other children and young people in the future. If you decide not to answer a question, draw an “X” through the entire question. That way we know you did not accidentally skip a question.

Look out for grey boxes: There may be some questions you can skip depending on your answer. There will be a grey box underneath these questions.
